Contents: No. 144 Act on the Technical Research Centre of Finland, p. 397.

No. 144

Act on the Technical Research Centre of Finland

Passed in Helsinki on February 11, 1972

In accordance with the decision of Parliament, the following is enacted:

Section 1

The Technical Research Centre of Finland is subordinate to the Ministry of Trade and Industry. Its task is to maintain and raise the level of Finnish technology by acquiring, creating and applying technical and technical-economic know-how, and meet the requirements for research and testing of public and private organizations.
(Dec 22, 1983/1041)

Section 2

(Repealed Nov 13, 1987/1146)

Section 3

The Technical Research Centre of Finland may, subject to the limits set by the budget, use specialists and make contracts with authorities, organizations and private persons for the carrying out of research and other individual specialist tasks related to its field of operation as well as make cooperation agreements with institutions and organizations carrying out research work in the Research Centre's field of operation.
(Dec 22, 1983/1041)

Charges will be levied for work performed by the Research Centre on external commissioned tasks. The extent of such charges is controlled by decree in accordance with the principles of the Basis of Payments for Services of State Organizations Act (980/73). The performance-specific charges referred to in Section 3 subsection 2 of the Basis of Payments for Services of State Organizations Act may, however, be levied in such a way that on average they cover the costs prescribed by the decree to be charged of the clients. The definition of charges may, within the limits indicated by government budget appropriation, omit those costs which the Research Centre decides not to bill from clients.

Section 4

The Technical Research Centre of Finland is entitled to accept donations for its operations.

Section 5

More specific orders for the implementation and application of this Act shall be given by decree.

Section 6

This Act shall become effective on March 1, 1972, and it replaces the Act on the State Institute for Technical Research enacted on January 16, 1942 (44/42).

Whatever has elsewhere been enacted in respect of the State Institute for Technical Research will apply to the Technical Research Centre of Finland when this Act becomes effective.

When this Act becomes effective, the holders of official posts in the State Institute for Technical Research, which is to be wound up, shall be transferred to suitable new posts in the Technical Research Centre of Finland in compliance with statutory requirements, or, in the event that such an employee is not transferred to such a post or other suitable position, he/she shall receive provision for early retirement.

Eduskunnan päätöksen mukaisesti säädetään:

1 § (22.12.1983/1041)

Kauppa- ja teollisuusministeriön alaisena toimii valtion teknillinen tutkimuskeskus. Sen tehtävänä on teknillistä ja teknillistaloudellista tietoa hankkimalla, luomalla ja käyttämällä pitää yllä ja kohottaa Suomen teknologian tasoa sekä tyydyttää julkisia ja yksityisiä tutkimus- ja testaustarpeita.

2 §

2 § on kumottu L:lla 23.12.1987/1146.

3 § (22.12.1983/1041)

Valtion teknillinen tutkimuskeskus voi tulo- ja menoarvion rajoissa käyttää asiantuntijoita ja tehdä sopimuksia viranomaisten, yhteisöjen ja yksityisten henkilöiden kanssa tutkimusten ja muiden toimialaansa kuuluvien yksittäisten asiantuntijatehtävien suorittamisesta sekä yhteistyösopimuksia tutkimuskeskuksen toimialaan kuuluvaa tutkimustyötä suorittavien laitosten ja organisaatioiden kanssa.

Tutkimuskeskuksen ulkopuolisten toimeksiannosta tuottamista suoritteista peritään maksuja, joiden suuruudesta saadetaan asetuksella valtion maksuperustelaisissa (980/73) säädettyjen perusteiden mukaisesti. Valtion maksuperustelain 3 §:n 2 momentissa tarkoitetut suoritekohtaiset maksut voidaan kuitenkin määrätä siten, että ne keskimäärin kattavat toimeksiantajilta asetuksen mukaan perittäviksi tarkoitetut kustannukset. Maksuja määrättäessä voidaan valtion tulo- ja menoarviossa osoitettavan määrärahan rajoissa jättää huomioon ottamatta menot, joita tutkimuskeskuksen päätöksellä ei peritä toimeksiantajilta.

4 §

Valtion teknillisellä tutkimuskeskuksella on oikeus ottaa vastaan lahjoituksia toimintaansa varten.

5 §

Tarkemmat määräykset tämän lain täytäntöönpanosta ja soveltamisesta annetaan asetuksella.

6 §

Tämä laki tulee voimaan 1 päivänä maaliskuuta 1972, ja sillä kumotaan valtion teknillisestä tutkimuslaitoksesta 16 päivänä tammikuuta 1942 annettu laki (44/42).

Mitä valtion teknillisestä tutkimuslaitoksesta on muualla säädetty, koskee tämän lain tultua voimaan valtion teknillistä tutkimuskeskusta.

Tämän lain voimaan tullessa siirretään valtion teknillisestä tutkimuslaitoksesta lakkautettavan viran haltija säädettyä järjestystä noudattaen hänelle soveltuvaan uuteen virkaan valtion teknillisessä
